A villa in a beautiful location with an open view of the sea, the hills and the river Mirna.

It is designed as two separate units.

In the basement there is a space for a tavern with a toilet, currently in the roh-bau phase.

The completed apartments are located on the ground floor and on the first floor, each with an internal staircase.

One residential unit with 5 bedrooms and two larger bathrooms.

Second residential unit, 3 bedrooms and three bathrooms.

House heating - floor heating with a pellet stove (possibility of installing a heat pump).

Cooling - multi split systems for each residential unit separately.

Access to the overflow pool from each residential unit, predisposition for a heated pool.
